Give a little...Get a lot!

Join National Association of Women Business Owners today!

You'll enjoy all these great benefits...

Bi-monthly Meetings

Eat! We meet at Muddy Rudder Restaurant, Brewer, from noon to 1:15 pm. on the second and fourth Fridays of the month. Join us for lunch, good company and great information.

Network Meet other women business owners in our area. We have a great time discussing our challenges and successes as well as exchanging ideas – and business!

Learn Speakers include our own members as well as local and regional business people willing to offer their experience and insights to help us all do business better.

Speak Up! Once a month, our members get to speak to the group. This could be you! Speak Up! presenters get the chance to talk about what they do while providing valuable business-oriented or personal growth information – and to set up a table of their promotional materials. Speak Up! meetings go from noon to 1:30.

Speak Out! Enjoy the perspectives of business people from “outside” the NAWBO group as they talk about their experience in all facets of the business world, followed by Q/A and table discussions.

Mastermind Network

This group of selected NAWBO members serve as the board of directors and provide confidential advice for members. Mastermind Network meetings take place when needed to discuss urgent issues facing a member or members.

Events

Celebration of Women Business Owners Gala
Evening networking throughout the year
Fall educational symposium

And more...

- Local, regional and national access to other women business owners
- Corporate partner discounts
